September 18th & 19th
2009

Join Us in Afton, WY

For those who believe in marriage and traditional family values, please join us for a weekend in the beautiful Star Valley Region just SW of Jackson, WY.

Come and enjoy the majestic mountains, beautiful scenery, and premiere speakers from Focus on the Family, Family Research Council, Alliance Defense Fund, and our own WyWatch Family Institute.

This conference will cover many of the current threats to marriage in Wyoming and what we can do to protect it in our state.

Pastors, Legislators, and citizens of all ages will be both knowledgeable and spiritually empowered by this gathering, equipping us all in the continuing battle to protect God's perfect design for marriage.

An informed & educated state can help to bring absolute Truths and Biblical values back to the great state of Wyoming. Please join us in protecting marriage between one man & one woman. Only together can we make a difference.
